

Automated Giving Option from your Bank:

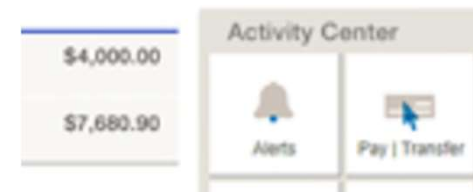

Scheduling Recurring Payments is typically just a few taps or clicks on your banking website.

Step 1: Log into your on-line banking site.

Step 2: Find your accounts overview page – and look for a pay (bill pay) or transfer tab. Select Bill Pay or Pay Bills.

Step 3: If Lanier United Methodist Church is a new payee you may have to add them (banking sites should have instructions on that process). Once you have set-up them up you can add reminders and/or reoccurring payments.

Information for your IRA custodian
